### **Senior Care Centers of America Completes Multi-Center Acquisition**

TREVOSE, PA – June 1, 2010 – Senior Care Centers of America, the second largest operator of adult day health centers in the United States, announced today the acquisition of the adult day health services business of Mid County Senior Services, a subsidiary of Main Line Health System. The adult day health services business consists of two adult day health centers located in Delaware County, Pennsylvania

Consistent with its branding process, the name of the newly acquired centers have been changed to **Senior Care of Broomall** and **Senior Care of Upper Darby**. The acquisition represents the fourth acquisition and expansion in the Pennsylvania market in the past 18 months. With this acquisition, Senior Care now operates 8 adult day health service centers in Pennsylvania.

“Mid County Senior Services and its staff have an excellent reputation for providing high quality care and services to adults in need,” said Jim Donnelly, President and CEO for Senior Care. “We are committed to ensuring a smooth transition so all clients will continue to receive the highest level of care they have come to expect and deserve.”

“Mid County Senior Services, a Main Line Health affiliate, worked diligently with Senior Care Centers of America to ensure a seamless transfer of services for the customers,” said Richard M. Jacovini, Vice President of Mid County Senior Services. He added, “We congratulate Senior Care Centers of America on expanding its presence in the communities of the Main Line.”

Designed to be a cost effective alternative to home health services, nursing homes and assisted living facilities, Senior Care’s state-of-the-art centers offer a daytime program of nursing care, social services, nutritious meals and therapeutic activities for elderly and disabled adults.

#### **About Senior Care Centers of America**

Senior Care is the premier provider of adult day health services in the United States with a total of 22 centers in New Jersey, Pennsylvania, Connecticut and Mississippi. The Company is the leading independent provider in its core markets. Each of its adult day health centers enables frail, elderly or disabled adults to live at home and remain independent in their communities while receiving health care and supervision during the day, as well as providing relief and respite for caregivers.
